

4 Courses

Introduction to Cloud Computing

Introduction to Web Development with HTML, CSS, JavaScript

Developing Cloud Native Applications

Developing Cloud Apps with Node.js and React

Apr 14, 2021

Jacob Edwin Good

has successfully completed the online, non-credit Specialization

Cloud Application Development Foundations

This specialization equipped you with all the key skills and technical know-how to kickstart your career as a full-stack Cloud Application Developer. Guided by experts at IBM, you learned to build your own cloud-based applications and practice working with the technologies behind them.

Rav Ahuja
Global Program
Director,
Skills Network

Upkar Lidder
Senior Software
Engineer
IBM

The online specialization named in this certificate may draw on material from courses taught on-campus, but the included courses are not equivalent to on-campus courses. Participation in this online specialization does not constitute enrollment at this university. This certificate does not confer a University grade, course credit or degree, and it does not verify the identity of the learner.
